

This term we will asking the question: What makes me special? We will look at people who are in our family and how we have changed over time. We will focus on how we keep our bodies healthy and which foods help us stay strong.

### Understanding the world - Keeping Healthy

We will look at why it is important to grow, and how we have change over time. We will look at how we can keep our teeth and body healthy and why it wouldn't be a good idea to eat sweets everyday! Finally we will look at what fruits we can grow in our Willow Garden.

### Physical Education

In PE the children will take part in games activities and Gymnastics with Miss Martin

**What makes me special?  
How do I make a healthy snack?**

### Expressive Arts and Designs

We will explore, taste and plan a healthy snack. We will be able to explain why some snacks are more healthy than others.

### Maths

Just Like Me! is the first three week phase - It covers a range of mathematical concepts, including matching and sorting, comparing amounts, comparing mass, size and Capacity and exploring

### English

We will settle in and recap our good listening skills. We will recap known nursery rhymes and use these rhymes to retell new stories and gain confidence performing in front of an audience. We will learn and retell the traditional story 'The little red hen'.

### Phase 2 phonics

We introduces children to the basic sounds of letters (phonemes) and their corresponding written symbols (graphemes). It focuses on teaching 19 letters, grouped into sets, and building the foundational skills of blending and segmenting sounds to read and spell simple words. Children progress from oral blending and segmenting to using letters to represent sounds and begin reading and writing simple words.

### Music

We will practise our singing skills by following our music program Charanga!

### RE \_ which stories are special and why?

This investigation enables pupils to become familiar with the idea that some books are holy books.

### SCRAF- Me and my relationships – All about me

I Can talk about my interests, my family and talk about differences to others.
