ADMISSION TO FULL TIME EDUCATION (FIRST ADMISSIONS)

Admissions to full-time school are co-ordinated by the Local Authority rather than the school.

The Local Authority should send you an information / application pack during the Autumn Term prior to the academic year during which your child becomes 5 years old. The pack will state the deadline date for applications. The best way to apply is online at www.nottinghamshire.gov.uk/admissions or by telephone on 0300 500 80 80. Even if you wish your child to attend their catchment school, you must complete the application process to secure the school place. You may also use this process to apply for a place at another school of your choice.

Children will be admitted to full-time education at Newstead Primary School in the September of the academic year (Sept- Aug) during which the child has their 5th birthday.

TRANSFERRING TO SECONDARY SCHOOL.

You will receive an information pack from the Local Authority in the Autumn Term prior to your child's transfer into Secondary School the following September. The information pack will detail all the admission arrangements and how to apply. The preferred way to apply is online at www.nottinghamshire.gov.uk/admissions or by telephone on 0300 500 80 80.

It is important to apply before the closing date which will be clearly stated in the pack you receive but is usually sometime in October. You must apply even if you wish your child to attend their catchment school.
