	3	The vision of the curriculum at Newstead Primary School:	We want our children to be happy and keen to come to NPS because they can't wait to learn!	We use the national curriculum guidelines in order to develop the knowledge content of the curriculum, but our aim is to make the curriculum relevant and exciting to our children, with purposeful outcomes that they care about achieving.	We aim to inspire our children to see learning as a personal journey, a route to experiencing enjoyment and fulfilment.	We want our children to have a love of learning, feel passionate and have ownership of the outcomes.	We integrate the individual subjects of the curriculum using a cross curricular approach that engage our children and provide a clear context for their learning.	We aim to meet the needs of all learners in our curriculum, challenging them and enabling them to problem solve and undertake learning at a deeper level.	We encourage our children to share their learning with each other, their families and the wider community and to learn from others.	We are preparing our children for their future adult lives, whatever they may be!
