School

Ethos and Values Statement

OUR SCHOOL AIMS AND ETHOS

These aims encapsulate those things which we believe to be most important in the education of children.

- To provide a broad and balanced curriculum which promotes high standards of achievement and caters for the needs of the individual.
- To promote independence, self-motivation, self-control and self-confidence.
- To provide a happy, safe and caring environment of learners.
- To maintain strong community links which promote mutual respect and understanding.
- To encourage respect and consideration for others.
- To encourage care of the local and wider environment.

OUR SCHOOL LOGO

Our school logo is 'Aim High'. We expect high standards of respect, behaviour and work.

OUR VISUAL MISSION STATEMENT

Our visual mission statement was designed by the stakeholders of the school to encapsulate our ethos, school logo and values we believe are essential in life.

The roots symbolise core qualities Newstead Primary School begin with to ensure children grow and flourish into well rounded children.
