INSET DAYS 2025

FRIDAY 23rd May 2025

Leave of absence during term time - I would please ask that if any leave of absences are to be taken during term time you consider using the INSET days to make your holiday more cost effective and reduce the amount of days children are absent from school. Please note: 5 days of absence within a 10 week period puts children within the persistent absence category and could result in a formal attendance contract.

Be U Notts Hubs.

We are delighted to announce that Be U Notts will be delivering their new project 'Wellbeing Hubs' to Oak Class in the Summer Term. They will be providing mental health and wellbeing workshops. Their workshops use various interactive activities and discussions to foster a sense of community and to promote resilience and mindfulness.

More details and letters will follow in the next couple of weeks in preparation for their time in our school in June 2025.

Be U

PTA Summer Fair

Nottingham Open Tennis

Anyone for tennis???

We have been lucky enough to secure a day at the Nottingham Open 2025 for children in Years 4, 5 and 6 on Thursday 19th June 2025. More details will follow closer to the time.

The children will take part in a tennis coaching session in the morning and then will be a spectator in the open court area in the afternoon to enjoy the tennis.

Sports Day

All sports day events will be held on TUESDAY 15th JULY 2025 at various times.

The organisation and times are as follows.

Children in years 1, 2 and 3 - Tuesday 15th July at 9:30am - 10:30am

Acorn Class (Nursery) - Tuesday 15th July at 11:30am - 12:00

Children in years 4, 5 and 6 - Tuesday 15th July at 1:30pm - 2:30pm

Willow Class (Reception children only) - Tuesday 15th July at 2:45pm - 3.15pm

Attendance Reminder

Below is a reminder about how many absence days affect a child's attendance.

- If a child is absent for 3 days or more this will take their attendance percentage lower than 96% - 96% is classed as good attendance.
- If a child has 5 days of absence (10 sessions) within any 10-week rolling period, this will take their attendance to or below 90% depending on their current attendance percentage. At 90% or below, children's attendance is classed as persistent absence and can trigger attendance monitoring or formal attendance contract meetings (see below).

Hospital Medical Appointments

We have children who have medical appointments at the hospital to attend and I know these are difficult to manage due to the appointment times that you are given. Could I please ask that if your child is attending a hospital appointment that we have a copy of the appointment letter for our attendance records please.

Please ensure your child returns to school after their medical appointment.

Other Medical Appointments (eg, doctors, dentist, opticians)

We ask, that doctors, dentist and optician appointments are scheduled carefully as to not affect your child's registration marks in the morning and afternoon.

Morning registration is 9:00am and afternoon registration is 1:15pm.

So, if appointments can be made after 9:30am in the morning, the children can get their mark, be collected after this time and then be returned to school after the appointment.

In the afternoon, could you please make appointments for after 1:30pm but ideally as close to the end of the school day as possible,

Attendance Reward Assembly

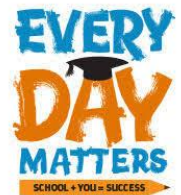

At the end of this term, we will be holding an attendance assembly, where we will be celebrating those children who have achieved good attendance during the Summer Term. Children will receive a certificate for 'good' attendance if their attendance is 96% or above. Children who have 100% attendance at the end of the term will also receive a certificate. If they continue to achieve 100% attendance for the whole school year, they will also receive a bowling trip in July 2025.

Attendance Policy

Please find a link below to the new attendance policy below.

There are certain aspects that have changed this year in line with new Dfe policy and legislation, the points I would like to draw your attention to are below:

- Attendance Contract Meetings.

A pupil is defined by the Department for Education as where an absence escalates and pupils miss 10% or more of school for any reason (ie below 90% attendance). This can be both authorised and unauthorised absence. Absence at this level will cause considerable gaps in a child's education. Schools are expected to put in place targeted support plan to support improved attendance. Parents will be invited to attend a formal meeting called an 'Attendance Contract Meeting' as a support method to improve attendance.

- Severe Absence

This is defined as pupils missing 50% or more of school. In these circumstances the attendance will need a more intensive approach with support from outside agencies, such as an Early Help referral.

- Fixed Penalty Notices

The Department for Education has issued a new threshold of 10 sessions (5 days) of **unauthorised** absence in a rolling period of 10 school weeks. The Local Authority may pursue cases of poor attendance through the courts or the school could trigger a fixed penalty notice. This is why it is so important you let us know the reasons for any absence as if you don't the absence is recorded as an unauthorised absence.

Leave of Absence (holidays) fall within this category.

Illnesses

At the back of the newsletter you will find a poster called, 'Do I need to keep my child off school?' This is a quick guide to certain illnesses and the recommended time to keep children off school.

The children are required to wear 'school colours as part of their PE Kit (Navy or black shorts and a plain white t-shirt). Any brightly coloured kits are not allowed. PE kits are available to purchase from the school office.

JEWELLERY

Necklaces and rings are not appropriate for the children to wear in school.

If your child wears earrings, they must be small studs.

Your child must be able to remove their own earrings for PE or plasters must be worn over the top. Plasters must be provided from home.

Children can wear a watch.
